NEW MOMS

STRONG FAMILIES. BRIGHT FUTURES.

ABOUT

Join us for a special golf outing to benefit New Moms, an organization that provides housing, job training, college success and family support programs to over 350 young moms annually!

Serving Chicago's westside and the near western suburbs, New Moms has invested in the strength, skills, and potential of young moms for over 40 years. Our comprehensive approach puts moms in the driver's seat of their lives as they lead their families on a path to lasting success.

As a corporate sponsor, you will invest in a mission that partners with young moms to accomplish goals towards stable housing, financial security, and strong families. Your company will have a multi-generational impact and help ensure no mom parents alone. Most of our higher sponsorship levels come with benefits including registrations and promotion opportunities to publicly share your company's support of families in our community.

The New Moms Golf Outing on September 11, 2024 will welcome 150+ guests, including civic, philanthropic, and business leaders. Celebrate and support New Moms' progress over 40 years and our innovative vision for the future. Golf, great food and drink, silent auction, and raffles are featured along with a presentation.

Celebrate the strength and resilience of young mothers and tee off for bright futures with us!
